

Design Draftsperson

Company Operating Name: Genoa Design International

Business Address: 15 Dundee Avenue, Mount Pearl, NL

Title of Position: Senior Design Draftsperson (NOC 2253)

Term of Employment: Full-time, permanent

Job Description/Duties:

As a Design Draftsperson with Genoa, responsibilities include, but are not limited to:

- Preparation of 3D design models for a single discipline or a mixture of structural or marine and distributed systems (mechanical/piping, joiner, HVAC, or electrical);
- Interpret technical, detail design and construction drawings related to structural design and marine and distributed systems;
- Develop specifications, sketches, requirements, and technical drawings into a 3D model using computer-assisted design (CAD) software;
- Review drawings to ensure the 3D model and associated deliverables are compliant with specifications and standards;
- Direct the production of functional and detail design drawings for piping and auxiliary systems;
- Develop 3D product models for new ship construction projects; and
- Lead technical discussions for project reviews.

Skills - What You'll Need in your Toolkit:

- Diploma or Bachelor's degree in related discipline including production engineering, industrial design, engineering design, or engineering; or the equivalent combination of education, technical training, and work experience;
- Minimum of 3 years' production design experience in related discipline;
- Project management experience;
- Experience in marine production design is an asset;
- Significant leadership and management skills as evidenced by previous work experience;
- Thorough understanding of quality and continuous improvement;
- Deductive reasoning, problem solving, and decision making skills;
- Ability to work under pressure, meet multiple and competing deadlines;
- Flexible, resourceful, and efficient; and
- Excellent communication, presentation, and interpersonal skills.

Language of Work: English

Wage: \$65,000 - \$90,000/year.

WHO WE ARE

Genoa Design International has been providing production lofting, detail design and 3D modeling services to shipbuilding and offshore industries around the world since 1995. In that time, we've become one of the most sought-after production design firms in the North American shipbuilding market.

With collaboration being the cornerstone of our work, we approach every day with a focus on our core values: Put People First, Create Lasting Relationships, Make a Difference, Own It, Never Stand Still and Live Well. Our customers tell us that our employees' everyday demonstration of our values sets Genoa apart from our competitors.

Benefits:

- RRSP matching program;
- Comprehensive group insurance plan (medical and dental);
- Vacation and discretionary days (15 days vacation and 8 discretionary days);
- Employee profit sharing plan and share ownership plan;
- Relocation assistance;
- \$1,000/year wellness incentive;
- Unlimited access to on-site fitness centre;
- Group stretch breaks;
- Access to quiet rooms to re-charge;
- Enjoyment of Genoa's superb coffee station, and extras such as swag, value points, team-building events, treat trolley, catered lunches, and a snack-filled state of the art kitchen; and
- Outstanding commitment to training, development, career growth and opportunity.
