- Assist with documenting and analyzing information and data to determine potential solutions from a business perspective to further continuous improvement of reporting on business performance and intelligence
- Analysis of business data to convert larger data sets into digestible reports; Ad hoc analysis and reporting to support insight build
- Support the documenting of existing process and assist with implementing change requirements as part of a structured change
- Partner with business stakeholders to plan, design and create reports, business models and dashboards to meet their requirements (KPIs)
- Assist with user acceptance testing and training for newly developed data sets, reports, dashboards and processes
- Accountable for information gathering, structured documentation, and presentation of findings to all levels of management

WHO YOU ARE

In addition to being a proactive, analytical, and responsive data miner, you:

- Are a collaborative team player who can problem solve, make sound decisions, and manage competing priorities
- Are never satisfied with status quo and always looking for the latest and greatest reporting solution
- Want to work at a place that is putting people first and improving the experience through data optimization
- Are switched on by working in a high-performance environment dedicated to continuous improvement
- Can create reports suitable for multiple audiences

WHAT YOU'LL NEED IN YOUR TOOLKIT

- Bachelor's degree or Technical Diploma in Business, Computers or Computer Software
- Three (3) to five (5) years of related work experience in a similar role
- Proven experience working with SQL Databases in data mining
- Work experience with reporting and dashboard creation using Data Visualization tools (e.g. Power BI and Cognos)
- Programming experience with any ETL (Extract, Transform and Load) application, is considered an asset
- Ability to drive data consensus and facilitate solutions
- Excellent analytical and problem-solving skills, with exceptional interpersonal skills
- Able and willing to work in a cross-functional team environment
- Successfully deliver in a deadline driven environment, with the ability to stay calm under pressure and prioritize tasks
- Excellent communication and interpersonal as well as presentation skills
- Ability to work independently with strong time management and multitasking skills
- Can demonstrate a positive and proactive attitude and initiative
- Shipbuilding experience would be considered an asset
- Travel may be required

So, you're a match? Please include competition number 2020 BDIA 013 in the subject line of your application submitted via email to jobs@genoadesign.com by March 30-2020. Genoa is an equal opportunity employer and while we are grateful to all applicants, only short-listed candidates will be contacted.

WHO WE ARE

Genoa Design International has been providing production design and 3D modeling services to shipbuilding and offshore industries around the world since 1995. In that time, we've become one of the most sought-after production design firms in the North American shipbuilding market.

With collaboration being the cornerstone of our work, we approach every day with a focus on our core values: Put People First, Create Lasting Relationships, Make a Difference, Own It, Never Stand Still and Live Well. Our customers tell us that our employees' everyday demonstration of our values sets Genoa apart from our competitors.

WHY YOU'LL LOVE WORKING WITH US

Working for us is good for you. Really!

Our collaborative, fun and team-focused workspace is designed to give everyone a voice & the opportunity to make meaningful contributions.

We're an employee-owned company that's used ourselves as guinea pigs in researching what makes a 5-star workplace. It's always evolving, but these are some of the joys we're using to keep the pep in our step:

The 'What You'd Expect' Stuff

- Attractive compensation
- RRSP matching program
- Comprehensive group insurance plan
- Vacation, discretionary days, and yay-cation days- because who doesn't like extra vacation time?
- Employee profit-sharing plan and share ownership plan

The 'Let Us Surprise You' Stuff

- \$1000/yr wellness incentive to buy whatever makes you happy
- Group stretch breaks
- Our new gym is your new gym
- An outstanding commitment to training, development, career growth & opportunity
- Quiet rooms where you can take a break, dim the lights, and re-charge

On a day-to-day basis, you'll notice that our rock 'em sock'em coffee machine will eliminate the need for a morning coffee run. You'll be invited to enjoy assorted extras such as Genoa swag, values points, team-building events, catered lunches and a snack-filled state of the art-kitchen.

CORE VALUES

Live Well | Own It | Make a Difference | Never Stand Still
Put People First | Create Lasting Relationships
