

LOCATION: North Vancouver, BC

Terms of Employment: Full Time, Permanent

Language: English

Are you ready to steer this (3D model) ship? Do you want to work for a company that puts people first? Just named one of **Canada's Top Growing Companies**, Genoa Design has grown to be the largest dedicated production design firm in North America, and we are continuing to grow! So, if you are looking for a career that's more about making a life than simply making a living, then come aboard the Genoa team!

We are recruiting Senior Designers for our North Vancouver, BC office!

WHAT YOU'LL DO

As a Designer, your responsibilities include but are not limited to:

- Develop 3D Models of complex mechanical systems for new shipbuilding projects, with a focus on functionality, integration, and industry best practices;
- Perform complex design tasks on projects with an understanding of multidisciplinary environments by collaborating with team members from other disciplines for necessary inputs;
- Create and modify production drawings including fabrication drawings, installation and assembly drawings, mission equipment installations and interface, and detail drawings, ensuring drawings meet current company standards;
- Ensure a level of quality control for project work in accordance with Genoa's quality management system;
- Compliance of 3D model with regulatory standards, classification rules (DNV, Lloyds/GL, ABS etc), design guidelines, and client specific-standards;
- Interpret technical drawings and engineering information related to the 3D model and/or distributed systems;
- Additional duties and responsibilities as assigned that relate to technical leadership and integration of Genoa's projects.

WHAT YOU'LL NEED IN YOUR TOOLKIT

- A Technical diploma or degree in a related discipline (naval architecture, marine engineering systems design; mechanical, HVAC or electrical design) or equivalent combination of education and technical experience;
- 5+ years of Marine design experience in a related discipline, either structure and/or distributed/marine systems, or a combination;
- Experience working directly with regulatory bodies and classification societies;
- Experience with 2D and 3D model development, completing design changes, general arrangement drawing production, redlining, annotating and drafting for new ship construction and/or refit projects;
- Experience in the use of AutoCAD, Ship Constructor, AVEVA, Cadmatic, Foran or other ship design software would be an asset;
- Exposure to a shipyard or production environment;
- Ability to read and interpret technical specifications and drawings;

WHY YOU'LL LOVE WORKING WITH US

Working for us is good for you, really! Just check out the perks down below!

We are powered by people who are technically proficient, passionate about our projects, and motivated to deliver superior results. The Genoa formula is simple: Put people first. Drive the 3D model. And never, ever stand still. Our quest for quality and continuous improvement is at the heart of all we do.

We've done a lot of research on what makes a 5-star workplace. It's always evolving, but these are some of the ways we keep the pep in our step:

THE 'WHAT YOU'D EXPECT' STUFF

- Attractive compensation (\$32.31-\$52/per hour) and employee incentive program
- RRSP matching program
- Comprehensive group insurance plan and EFAP program
- Vacation, discretionary days and statutory holidays

THE 'LET US SURPRISE YOU' STUFF

- An employee wellness program to spend on whatever makes you happy.
- A minimum of 8 volunteer hours each year to support causes that matter to you.
- An outstanding commitment to training, development, career growth & opportunity with our award-winning in-house Academy; offering advanced technical training along with the diverse soft skills needed to stay ahead of the curve and confident in your role.
- Catered lunches from local businesses.
- Stretch breaks — because who wants to sit at a desk all day?

You'll be able to enjoy assorted extras such as free snacks, Genoa swag, an employee recognition values points program, and friendly team-building events.

If you require assistance in filling out your application or would like to apply, please email jobs@genaodesign.com!

While we are grateful to all applicants, only short-listed candidates will be contacted. Genoa actively creates and promotes an environment that is inclusive of all people and their unique abilities, strengths, and differences, and promotes diversity as a strategic and competitive business advantage for the company. We respect diversity in each other, our customers, and all other with whom we interact.
